Fire and Rescue Training Institute

CERTIFIED FIRE DISTRICT BOARD DIRECTOR TRAINING COURSE

Course Description

This course will provide the required training and education required by Missouri law for fire district board members elected **after January 1, 2008**. The MAFPD has developed the curriculum (approved by the MO Division of Fire Safety) used in this class to assist board members, secretaries, treasurers, and chief officers in understanding legal liabilities and personal obligations of their positions. Topics to include: authority; roles, duties, responsibilities; rules and laws; elections; ethics; MO Sunshine Law; setting tax rates; and how to conduct a meeting.
